Sea / Ocean Container: To port in Foreign Country

The image is a collage of shipping-related content. On the left, there are three small square images: the first shows the 'SKY NET' logo with 'POLYMER EXPRESS' below it; the second shows a yellow DHL delivery van; the third shows a stack of cardboard boxes. To the right of these is a large image of a blue and white cargo ship at sea. Above the ship, a Qatar Airways cargo plane is flying in the sky.
