With the cooperation of Trailer Line in Nepal, we can provide a safe land service for you. Our professional team will track the whole process, ensuring that your goods reach their destination in good time and in one piece.

Eagle Export Cargo offer **Land to Sea Cargo Services to and from Kathmandu** to almost any destination in the world, via the Nepal border and then to Kolkata/Haldia port in India. Our network provides all necessary inland transportation, Customs clearances and seaport-to-seaport deliveries. Shipments typically take 30-45 days, depending on their final destination.

As always our dedicated team are on hand to give practical advice and cost effective guidance throughout the entire process.
